## Support for Swedish Companies

The Department for International Trade (DIT) at the British Embassy in Stockholm provides free, confidential and tailored support for Swedish companies and organisations wanting to establish a presence in the UK.

**Whether you are interested in establishing a subsidiary, branch, joint venture or R&D hub, we can offer support and information within areas such as:**

- Establishing and registering an entity in the UK
- Tax and regulatory issues
- UK market and sector information
- Financial incentives, if applicable
- Site and property search
- Establishing contact with service providers, universities as well as local, regional and national government organisations

**For enquiries or to find out more about how we can support you, please contact:**
